

## CONSTRUCTION UPDATE OCTOBER 2019

Dear Valued Clients,

On behalf of the developer, we bring to you the latest updates from Lygon Place in Melbourne, Australia, as of October 2019.

With the works onsite progressing well, completion of your apartment is now anticipated for late November/early December, with settlements expected to occur in January 2020.

**It is important that you have commenced your loan applications. You should investigate finance options available to you and get all required documents together for submission to your bank/broker.**

With the weather starting to warm up, significant progress has been made onsite:

- Timber flooring installation up to level 5.
- Carpets being installed to bedrooms on level 1.
- Joinery installation commenced on level 7, with splash back and stone benchtops to be installed.
- Feature facade box cladding installed.
- West facade timber cladding being installed.
- East facade cladding works being finalised and external facade painting works underway.
